## Technologies

### Personal Authorization Safety System

Tables have an integrated electronic control unit allowing for height adjustment and adjustment of the postural drainage option with an indication of stand-by mode (green light) and Personal Authorization Safety System (PASS). Each Prestige Table is equipped with two magnetic safety keys (PASS Keys) in order to prevent unauthorized use of a table which may lead to severe accidents and compensation claims.

### Hallotronic® Technology

We care about your working comfort! That's why we invented the unique HalloTronic® System that enables high/low height adjustment via hallotrons without the use of mechanical switches. Thanks to HalloTronic® System you can choose the right height of your Prestige Table without effort and noise.
